STYLE AND MORE

The Made “in Italy”

The first “Maurizio Baldassari” Collection was born in Milan in the 1980s.

In the 1990s, from the historic headquarters in Via Solferino, the brand has expanded internationally across Europe, Asia, North and South America, offering style and Italian taste.

Maurizio Baldassari’s sons, Renato and Roberto, later joined the company, after stints in the fashion industry abroad, making Maurizio Baldassari a true Italian family business.

Maurizio Baldassari offers refined menswear, with the highest Made In Italy quality fabrics and made by the best makers.

This ensures perfection in every garment, made carefully by highly skilled craftsmen with a taste for the tradition of fine tailoring and premium quality.
